MOVE TO SCHEDULED PUBLIC HEARING - PROPOSED LOCAL LAW E-2008 - USE OF SKATEBOARDS, ROLLER SKATES AND IN-LINE SKATES ON PUBLIC WAYS IN THE B1 DISTRICT

With proof of notice having been duly published and posted, Supervisor Jones opened the Public Hearing on proposed Local Law E-2008 regulating the use of skateboards, roller skates, and in-line skates on public ways in the Town of Jerusalem at 7:05 P.M. Supervisor Jones presented a summary of conduct for the public hearing and read the local law.

In response to Bill Pringle's inquiry, Supervisor Jones stated this would be enforced by the New York State Police and the Yates County Sheriff's Department.

Max Parson asked where the kids in Branchport were supposed to play with the closing of the Branchport School, the loss of the playground and now prohibiting skating. Supervisor Jones responded he received letters from two local business owners stating their concern with children skating in the B1 District. If adopted, signs will have to be placed designating the B1 District noting no skateboarding allowed.

Jim Fitzgibbon requested clarification as to exactly where the B1 District was located.

Bob Evans stated he has seen skateboarders, but they have been in the commercial district.

Tom Close read Chapter 160-7 E. of the Town Code defining the B1 District.

Councilperson Hopkins noted given the definition of the B1 District, this local law could not be considered as written as we need to address only the problem area within the 4-corners of Branchport. As proposed, this local law will be too restrictive.

Bob Evans stated he is opposed to the proposed local law. He spends a lot of time in the Branchport 4-corners area and has never seen a problem. He feels this unnecessarily restrictive on the children of Branchport.

Councilperson Stewart stated whatever the Town Board adopts, it will be hard to enforce. Councilperson Hopkins added when the Sheriff's Department was contacted by the local business people,

they were told that they could not address the problem without a town law to enforce.

PROPOSED LAND RESERVE FUND - ACTIONS

A) Councilperson Hopkins offered the "Resolution Establishing the Land Reserve Fund of the Town of Jerusalem Under Section 6-C of the General Municipal Law" which was seconded by Councilman Stewart and discussion was called for.

B) Discussion: Councilperson Hopkins presented her report on the resolution to establish the land reserve fund using the balance of monies received when the Twix Pines lands were removed from the forestry program. She noted this was unanticipated revenue to the Town and provided the following to support establishing the reserve:

- The reserve will support the Town's desire to build upon our rich heritage and natural beauty while addressing the growth in the community as outlined in the Comprehensive Plan, noting the two-year process and the involvement of the community in developing the Plan.
- Town Law does not allow these monies to be transferred from the General Fund A to the Highway DB Fund as a tax relief measure.

- The budget impact of the \$8,000 proposed to be used to establish the reserve equates to a 1.6 cent rate increase in the budget.
- While she recognizes this is a bad year given the current economic condition, she feels that if we wait for a good year, this reserve will never be established.
- In towns where there is subdivision regulation, subdivision fees may be deposited into a reserve.
- Councilperson Hopkins spoke with two Planning Board members who support the reserve.

In response to a question from Bill Pringle, Councilperson Hopkins stated a public hearing is not required to establish a land reserve, but a public hearing will be required when funds are expended.

C) Following the extensive discussion above, both Councilperson Hopkins and Councilperson Stewart withdrew the offering and seconding of the original resolution.

D) PLANNING BOARD REFERRAL OF THE "LAND RESERVE FUND OF THE TOWN OF JERUSALEM": Upon the suggestion of Councilperson Simmons, Planning Board Chair Evans stated it would be the right thing for the Town Board to refer this resolution to the Planning Board for their input. The Planning Board will submit their written report to the Town Board for the November 19<sup>th</sup> Town Board meeting.

REQUEST STATE LEGISLATURE REPEAL LAW THAT ALLOWS KEUKA PARK SEWER & WATER QUARTERLY BILLING

On a motion of Councilperson Stewart, seconded by Councilperson Hopkins, the following was

ADOPTED	Ayes	5	Folts, Hopkins, Jones, Simmons, Stewart
	Nays	0	

WHEREAS, at the request of the Town of Jerusalem, the New York State Legislature adopted Chapter 452 of the Laws of 1998, which amended Section 202-a of the Town Law by adding subsection 6-a to said section, and

WHEREAS subsection 6-a provides a different timetable for adopting the budget for the Keuka Park Water District and obtaining payment from its customers, and

WHEREAS the Keuka Park Water District has recently consolidated three extensions into the District, and

WHEREAS, billing the customers of the Keuka Park Water District has proven to be more of a detriment to the town than a benefit to the customers in that the billing does not co-ordinate well with the dates that payments are due on the bonds that were issued to construct the improvements and in some cases the town is required to make payment on a bond before the money to cover the payment is received from the customers; the result has been a considerable amount of extra administrative work for the employees of the district,

NOW, THEREFORE, BE IT RESOLVED, by the Town Board of the Town of Jerusalem in regular session duly convened as follows:

1. Chapter 452 of the Laws of 1998 should be repealed so as to eliminate sub-section 6-a of Section 202-a of the Town Law and thereby return the Town of Jerusalem to the procedure followed by other towns in the state in adopting and implementing budgets for their water districts.
2. The New York State Legislature should be asked to repeal said law in its entirety.
3. The Supervisor is authorized and directed to send a letter on behalf of the Town of Jerusalem and the Keuka Park Water District

to Senator Winner and Assemblyman Bacalles requesting that they introduce appropriate legislation to achieve the repeal of said law.

4. In his letter, the Supervisor should express the gratitude of the Town for the consideration of the Legislature in adopting said law for the benefit of the Town and for taking the necessary steps to repeal the same now that it is no longer needed.

5. This Resolution shall take effect immediately.
